PITCHING FORUM 2018 | March 2 - 6

SUBMIT YOUR DOCUMENTARY PROJECT FOR DOCS IN THESSALONIKI

Docs in Thessaloniki is your cost effective fast track to the European and international documentary market, combining on-site and online market opportunities. In Thessaloniki you will develop your project, network with colleagues and pitch to financiers in a relaxed and constructive atmosphere. The deadline for submitting projects is January 5, 2018. Applications are also open to participants without a project.

Docs in Thessaloniki consists of a five-day program, where 21 selected documentary projects will be developed, re-written and pitched to a panel of international financiers. The pitching session is followed by individual meetings between pitchers and financiers for in-depth discussions about future collaborations. For a selected group of top-projects the new outreach programme will offer you an opportunity to develop your outreach strategy, optimise distribution plans and enhance audience engagement. The unique Docs in Thessaloniki 'Digital Extension' makes the pitched projects even more accessible to financiers than ever before.

Docs in Thessaloniki takes place on March 2-6, 2018 in connection with the Thessaloniki Documentary Festival and market. The pitching forum, festival and market form a great opportunity to develop your project, see films and meet international financiers in a creative and constructive environment during springtime in Greece.

Deadline for submitting your project is on January 5, 2018.

In order to submit a project for pitching at Docs in Thessaloniki please send a 2-page description of your documentary project in English. We prefer receiving applications accompanied by visual material, either as material already shot for the submitted project or as a previous work. Before submitting, please read the Docs in Thessaloniki submission guidelines and especially the section "How to Participate" which can be found on our website via the following link:

Participating without a project

If you do not have a project ready to pitch, you can still take part in Docs in Thessaloniki. We have a number of seats available for participants without a project. You will take part in the full Docs in Thessaloniki program on equal terms with the pitching participants. Only exception is not having a concrete project developed and pitched.

Docs in Thessaloniki is organized by EDN – European Documentary Network in collaboration with the Thessaloniki Documentary Festival-Images of the 21st Century. Docs in Thessaloniki is supported by the Creative Europe program of The European Union.
